I am responding to the following question:

Do you have any comments on the proposed deletion of Land north of the University of Kent (Policy C12).

I agree with the deletion of Policy C12.

The impact of an extra 3,000 vehicles on our local roads will create a complete bottle neck for getting to Canterbury and create problems for people travelling to the University.

Until the Broad Oak Reservoir has been completed no future developments of any size should be considered.

As a resident in Canterbury for over 80 years I have seen many changes.

Donald Webb,
