Dear Sir/Madam

I am emailing to object the council plan to concrete Thaningtons community green space. As someone who lives locally, I frequently use this space for dog walks and to take my young family members to the play park. It would be a devastating loss to the community.

This has previously been rejected in 2008. We would lose green space, sports facilities, an impact to air quality due to more traffic being funnelled this way. This would disrupt the community and I firmly object.

Regards,
