Good morning

I am responding to the following question: Do you have any comments on the proposed deletion of Land north of the University of Kent ( Policy C12)?

My response is that I agree with the deletion of the policy C12 from the local plan and the reasons given for the change i.e. the impact on the road network, the destruction of ancient woodland and the cost effectiveness of demolishing Blean Primary School. The same objections would apply to any possible proposal for a large-scale development in that location.

I am grateful to the Council for having listened to the concerns of the local population.

Andy Davies
