To Whom It May Concern,

I am writing in response to the consultation regarding the proposed deletion of *Policy C12: Land North of the University of Kent* from the Local Plan.

I am in support of the proposed deletion of Policy C12. I agree particularly with the technical justifications for this change, including the potential destruction of precious, ancient woodland, which I believe would be highly detrimental.

As a former teacher at Blean Primary School, I also find the suggestion of demolishing a fully functional and well-established school to be entirely illogical and unnecessary.

Thank you for taking the time to listen to the concerns of local residents in Blean.

Yours sincerely,

Miss Alice Bodle
