Dear Sir or Madam

I am responding to: 'Do you have any comments on the proposed deletion of the land north of university of kent policy C12?'

I agree with the technical reasons given for the change: the impact on the road network, the destruction of the ancient Woodland and the cost of demolishing Blean primary school. The same objections would apply to any possible future proposal for a large development in this location.

Thank you for listening to our concerns.

Kind regards

Jill Shepherd
