Mrs Pauline Harris

I am responding to your proposal in the draft local plan. Policy C12: Do you have any comments on the proposed deletion of land north of the University of Kent.

I agree with this proposal to delete and the technical reasons given for the change, that is, the impact on the road network, the destruction of ancient woodland and the cost effectiveness of demolishing Blean primary school as building work has continued at the school all spring and summer 2025. I would object to any future proposal for a large development in that location. I am pleasantly surprised that you have listened to the public objections and acted on them. Thank you.

Regards

Pauline Harris.
