See below...

Why on gods earth would Canterbury council even consider a proposal that allows space for 20 Gypsy / traveller pitches. Who do you think is going to buy new build houses next to a gypsy site. This is the most ridiculous thing I have ever heard.

Whitstable is a small town, we don't have the infrastructure for all of these new build developments. The traffic is horrendous as it is. It is devaluing our town and properties. There are too many people crammed into a small space. It's going to kill the holiday town vibe and just turn us into another soulless Kent town. Please refuse these awful planning proposals before our schools are unable to cope and there are no jobs for people born and raised in this town.
