My wife and I have lived in Chestfield for nearly 30 years and have seen the town of Whitstable become so busy over the years with more housing. We already cycle into the town as there is now no where to park at weekends. If the Brooklands Development is allowed to go ahead then the town and surrounding areas will be completely grid locked which would force us to consider moving from the area.

We therefore strongly oppose the 1400 or so homes planned.
