Dear Sir/Madam,

I am writing to you with regard to the proposed building development on the ancient woodland of Blean, to which I am very strongly opposed. I am responding to the proposed deletion of the policy, C12, regarding development of the land north of the University of Kent. I agree wholeheartedly with the deletion, for the following reasons: the impact the proposed development would have on the road network, local amenities, and the ancient woodland where I have walked all my life. Additionally, the detrimental effect on Blean primary school, and Kent College, where I taught for 23 years. The strain on the local infrastructure, not to mention schools, hospitals and doctors' surgeries, can hardly bear thinking about. Any proposed plan, now or in the future, for a mass building development is complete madness and will destroy a beautiful area of our country.

Thank you for listening to my concerns. I look forward to hearing from you.

Kind regards,

Sally Collins
