I have comments about the proposed deletion of land north of the University of Kent (PolicyC12).

I feel very strongly that the proposed 2,000 house should not go ahead!

Blean is a wonderful village with ancient woodland, a charming school and a reasonably quiet road.

The proposal would change all of this and there is enough housing going up around Herne Bay and Whitstable to satisfy demand.

I object to any future proposal for a large development in this area.  
We, the residents, are so proud of Blean and want it to remain as it is.

The road would become noisy, busy and thus hazardous and the whole area would change.

Thank you to the councillors for listening to my objection and I sincerely hope that we can remain a calm, well mannered village of caring people.

With kind regards

Karen Strawson/Max Turner
