Unfortunately I am out of area on the 9th but need these point raised.

Concerns to be added:

- 1) 20 pitches will be to house how many people
- 2) medical services has not increased to manage current number of homes. Waiting time at Estuary View on most occasions is about 4 hrs. With homes that are still currently being built and have not been occupied as well numbers are on the raise this service has not increased.
- 3) police services are officers numbers going to be increased???????
- 4) traffic is currently a nightmare this will not get any better. What provision has been done.

Thank you

Irene
