Good morning -

I am responding to the following question: Do you have any comments on the proposed deletion of Land north of the University of Kent?

I agree with the technical reasons given for the change i.e.:

- The impact on the road network, the destruction of the ancient woodland, the cost, & effect of demolishing Blean primary school.

I would add that the same objections would apply to any possible future proposal for a large development in that location.

I am grateful that the councillors listened to our concerns.
