Do you have any comments on the proposed deletion of land north of the University of Kent (Policyc12)?

I totally oppose the policy C12 in the local plan.

- **The traffic is bad enough already and to add to it with such large numbers would cause terrible traffic congestion, which could be dangerous for residents, too.**
- **The destruction of ancient woodland and green farmland is totally wrong.**
- **The cost of demolishing Blean Primary School to build a new school is certainly not cost effective.**

I appreciate this opportunity to oppose the building plan and thank Canterbury Planning Council for listening to our very serious objections.

Kind Regards

Dr Mike Wilkins MBE
