In response to :

Do you have any comments on the proposed deletion of land north of the University of Kent (policy C12)?

I agree with the deletion of the policy C12.

I agree based on : technical reasons -impact of road network .

Destruction of ancient woodland

Cost effectiveness of demolition of the

Blean primary school.

I would object to any subsequent large developments in this area.

This area is special and beautiful in a time where such areas are harder to locate.

Thank You for listening to people like me!

J Bettany. 5 [REDACTED]

I fully agree with the deletion of policy c12.
