To whom it may concern:

I am responding to the question: 'Do you have any comments on the proposed deletion of Land north of the University of Kent?'

I agree with the deletion of the policy C12 from the local plan.

I agree with the technical reasons given for the change in policy i.e. the impact on the road network, the destruction of the ancient woodland, and the cost-effectiveness of demolishing Blean primary school.

The same objections would apply to any possible future proposal for a large development in that location.

I am very happy that the concerns raised in the initial consultation have been acknowledged and have resulted in the deletion of this area from the the Council's plans for housing development.

Thanks and regards,

Martin Wright
