Hello,

I'm Pavel Borisov Radev, from [REDACTED]

I am responding to the following question - Do you have any comments on the proposed deletion of Land north of the University of Kent (Policy C12)?

I agree with the technical reasons given for the change - the impact on the road network, the destruction of the ancient woodland, and the cost-effectiveness of demolishing Blean primary school. The same objections would apply to any possible future proposal for a large development in that location. I thank the councillors for having listened to our concerns.
