Dear Sir / Madam

***Do you have any comments on the proposed deletion of Land north of the University of Kent (Policy C12)?***

I totally agree with the deletion of the policy C12 from the local plan.  
I also agree with the technical reasons given for the change.  
Namely, the impact on the road network, the destruction of the ancient woodland, and the cost-effectiveness of demolishing Blean primary school. I would like to add that the same objections would apply to any possible future proposal for a large development in that location.

I also would like to thank the councillors for listening to the concerns of the residents in Rough Common, Tyler Hill and Blean in their decision to delete policy C12.

Your Sincerely

John Howard
