Dear councillors

I write in response to the question: Do you have any comments on the proposed deletion of Land north of the University of Kent (policy C12).

I agree with the deletion of the policy C12 from the local plan for the technical reasons of the impact of the road network, the destruction of the ancient woodland, and the cost effectiveness of demolishing Blean primary school as well as principled reasons regarding the siting of new developments generally. The same objections would apply to any future development proposal.

Thank you for listening to our concerns.

Kind regards

WG Jolliffe
