Dear Sir/Madam

I am writing to express my disappointment regarding the plans to damage Thannington Recreation Ground with a park and ride scheme. This is a vital area for the health and well-being of the local community and the development directly contradicts the council's own policies regarding protection of the environment. A proposed alternative recreation ground in the Merton Park development is not accessible to residents and can in no way be considered a replacement.

If the council thinks that because this is a deprived area that the residents will not be prepared to resist, they are mistaken.

Yours Faithfully

Andrew Bell (Thannington Resident)
