Congratulations for your decision to remove C 12 from the Local Plan, You listened to all the reasons that were given to you for never allowing building on this precious site. This decision was greeted with great joy and relief.

I am not sure why you need us to repeat these reasons but I am happy to confirm that ALL the reasons that I stated before in the letter I wrote to you and which you agreed with in your decision to delete it from the plan, are still the same.
