Good afternoon,

Please find attached my objection to the proposed houses on Rattington Street!

Ash Surrey

N32 Rattington Street

Site N32 is allocated for residential development. Planning permission will be granted for development which meets the following criteria: 1) D Across the site, the development mix will include: a) Approximately 170 new dwellings including affordable housing, accessible housing and a housing mix in line with Policies DS1 and DS2. b) Proportionate contributions to community infrastructure in line with Policy DS7. c) Open space with Policy DS24.

	Agree strongly	Agree	Neither agree or disagree	Disagree
I support N32 allocation that will allow 170 houses as above				
I support the Neighbourhood Plan allocation of a smaller scale mixed development				
Any Comments	I strongly oppose the above for following reasons: : Parking: Traffic: noise: air quality : conservation area: visual impact : grandulator issues: nature: environmental: climate change
