Hello,

I would like to comment on the consultation to turn the Thanington Rec Center into a park and ride. This is a horrible idea and would deprive Thanington of a needed space for walking dogs and young people. I moved to the Saxon Fields estate 3 years ago and it's been instrumental in meeting people from the local area.

The current park and ride is never at capacity when I drive by every single day, losing 200 spaces would not significantly impact it. Otherwise, build a multi-story carpark since that area will already be under construction-- no need to spread it to the Rec Center too.

Please don't take away our green space!!

Warm Regards,

Sarah Orrick
