

[REDACTED]

5<sup>TH</sup> Oct. '25.

Dear Sirs,

First of all, asking for a public opinion, paid by us, by post etc, is a way of dodging making a decision.

The correct decision is obvious.

People in the Whitstable area are upset, disappointed, sad and worried about the ever encroaching concrete. Our once lovely area is rapidly becoming just another 'concrete jungle', making cash for the money grubbers, regardless of the damage and disfigurement they do.

Yours faithfully

[REDACTED]

E. G. PETHERS.
