Good afternoon

I am responding to the following question;

Do you have any comments on the proposed deletion of Land north of the University of Kent (Policy C12)?

I hope you will agree with the deletion of the policy C12 from the local plan. I agree with the technical reasons given for the change, the impact on the road network, the destruction of the ancient woodland and the cost effectiveness of demolishing Blean Primary School.

The same objections would apply to any possible future proposal for a large development in that location.

I would also like to thank the councillors for having listened to our concerns.

Thank you
June Barlow
