Subject: Objections proposed development N21 N24 Golden Hill / Thanet way, Whitstable

You don't often get email from [REDACTED] [Learn why this is important](#)

--Email From External Account--

I am e-mailing to raise my concerns about the proposed development at Golden Hill (N21 N24) - 20 gypsy and traveller pitches and affordable housing in fields behind houses on Golden Hill, Thanet Way, Whitstable.

These are our concerns:

1. Extra demand on already pressured water supply.
2. Additional sewerage which will increase the already dire situation resulting in increased pollution in the seawater and beaches.
3. Drainage concerns - these were a problem at Whitstable Heights
4. Increase in refuse generation and disposal (already a problem here)
5. Increase in already busy traffic and congestion, which will result in traffic using other unsuitable roads
6. Increase in hazards
7. Increase in pollution
8. Further erosion of green spaces
9. Changes to the Whitstable skyline, making it less appealing to visitors and for residents.
10. Pressure on local services - Multiple developments in the area particularly along the old Thanet Way

Thanks and best wishes,

John Toryusen and Catherine Jones
