Dear sir/madam,

I am responding to the question, "Do you have any comments on the proposed deletion of Land north of the University of Kent (Policy C12)?".

My name is John Culleton and I live at [REDACTED]

I agree with the deletion of this policy due to the impact this would have on the road network, the destruction of the ancient woodland, and the cost-effectiveness of demolishing Blean primary school.

The same objections would apply to any possible future proposal for a large development in that location.

I would like to thank the councillors for having listened to the concerns of local residents.

Kind regards,

John Culleton
