Good afternoon

I am responding to the proposed deletion of land to the north of the University of Kent (Policy C12).

I wholeheartedly agree with the decision to delete policy C12 from the local plan. This development would have had a massive impact on local infrastructure, resulted in the destruction of ancient woodland and meant an unnecessary and costly demolition of very good primary school. All the above reasons would therefore apply to any future applications to build on the site.

It is great to know that the councillors listened to local people's concerns.

Regards

Joanna
