**Subject:** Objection to Policy N3 – Thanington Recreation Ground

You don't often get email from [REDACTED] [Learn why this is important](#)

**--Email From External Account--**

Dear sir/madam,

I'm emailing regards objections to plans for the Policy N3 – Thanington Recreation Ground.

I live on [REDACTED] and have done for the last 20 years. My children and I have used the recreation grounds regularly and believe this would be a travesty in removing the grounds to be replaced by a car park or any concrete grounds to replace the green land available for all to use. The grounds are an important part of all local and non local community/people visiting the area and is also home to wild life within the wooded areas.

As a side plan, why it wouldn't work in making a multistorey car park (similar to the Canterbury west car park) on the original park and ride site in Thanington by the Morrisons, also build an off ramp from the motorway into Ten Perch road or to the junction or into the car park area at the back of B&M to merge with Ten Perch road.

I'm more than happy to be contacted for further consultation and again make it clear that I oppose the plans currently in place to demolish the recreation grounds.

Kind regards

Nadia Kajaal
