Dear sirs,

At this stage I do not have the information required flat comment either for or against.

I first require to know:-

What steps will be taken to prevent the site being used for fly tipping etc, can there be cctv etc

What toilet facilities will be provided. Bottles of Irvine and boxes of faeces are already a problem with the few trucks parked at present.

How will this impact upon Kent Motorcycles and Ropersole park.

There is planning for a hotel, is this now shelved?

Kind regards

Duncan Field
