I am responding to the question on Policy C12 'Do you have any comments on the proposed deletion of Land north of the University of Kent.

I wrote at the beginning of the consultation as did others and we are grateful that councillors have listened to our concerns

I am grateful particularly for the consideration of the impact on an already very busy road network and the destruction of our valuable and irreplaceable ancient woodland.

I trust that the objections you have carefully considered would apply to any possible future large development in the same location.

Thank you

Jenny Collett-White
