Dear Sir/Madam,

We agree with the deletion of policy C12 from the local plan. Technical reasons given for the change are exactly what we all raised and were concerned about , as in the huge impact on the local road network, actually destroying ancient woodland and habitats of all wildlife there and it simply wasn't cost effective to demolish a perfectly good school at Blean.

We would also like to point out that our objections would be the same for any possible future plans for a large development in this area.

Thank you for listening to everyone's concerns on this matter and for making the decision to delete policy C12

Kind regards,

Angela Mitchell and Gary Folkerd
