To whom it may concern,

I am responding to the following questions:

Do you have any comments on the proposed deletion of Land north of the University of Kent (Policy C12)?

I answer to say that I completely agree with the decision to delete this plan and will oppose any future plans or proposals for a large development in that location.

The proposal to demolish Blean primary school, the destruction of ancient woodland and the impact on traffic and road networks which the deleted plan proposed are utterly abhorrent and I thank the councillors for having listened to the concerns of the people. I hope that they will continue to do so in the future.

Yours,

Yuri Nemoto-Smith
