Response to question: Do you have any comments on the proposed deletion of Land north of the University of Kent (Policy C12)?

I am in support of Canterbury City Council deleting the proposal C12. I am in full agreement with the technical reasons given for the deletion, the impact on the local road network, destruction of ancient woodland and the cost-effectiveness of demolishing Blean primary school. This project would have a massive detrimental effect on the local area.

Any possible future proposals for similar large scale developments in the area would face the same objections.

I am pleased and grateful that the Council has listened to the concerns of local people on this matter.

Thank you.

Sue Brown
