Good afternoon.

I am responding to the question ***"Do you have any comments on the proposed deletion of Land north of the University of Kent (Policy C12)?"***

Both my husband and I, who reside at the below property, agree wholeheartedly with the deletion of the policy C12 from the local plan. We agree with all technical reasons for the change.

We also object to any possible future proposal for a large development in said location.

Thank you to the councillors for listening to the community's concerns.

Best wishes
Toni-May & Brook Doulton
