Good Morning,

Re Policy C12.

We are responding to the proposed deletion of Land north of the University of Kent (policy C12) from the local plan. We agree with the deletion of the policy C12 from the local plan and we agree with the technical reasons given for the change i.e. the impact on the road network, the destruction of the ancient woodland and the cost-effectiveness of demolishing the wonderful Blean Primary school. We would like to add that those objections would apply to any possible future proposal for any large or small development in that location.

We would both like to thank all of the councillors for listening and taking on board our concerns.

Thank you again.

Kind Regards

Mr A.E. Hopkins
Mrs C.A. Hopkins
