Dear Mark Gurr

Thank you for your email, which I have forwarded for including within the Regulation 18 consultation now underway.

The points you raise are noted, rest assured Councillors are very much in "listening mode" during this consultation period and all points raised are considered in the round before a decision is taken.

Kind regards

Alan

Dear Allan Buldock

RE. Thannington Recreation ground

My family have lived in Thannington for 25 years and the recreation ground has always provided a valuable place for children to play and others to simply relax and play games.

For my children it was a place that they could walk to from home or Wincheap school and 'let off steam'.

This is our only green space that is within walking distance, particularly for children; and not everyone has a car.

For the sake of future generations I would ask you not to support this application for Park and Ride and seek an alternative site.

Kind regards

Mark Gurr
