Dear Sir/Madam,

I am responding to the consultation question regarding the proposed deletion of Land north of the University of Kent (Policy C12).

I support the deletion of Policy C12 from the local plan. I agree with the technical reasons provided, including the negative impact on the road network, the destruction of ancient woodland, and the cost implications of demolishing Blean Primary School. I believe these concerns would apply to any future large-scale development in that location.

Thank you to the councillors for listening to our concerns.

Kind regards,

Darren Base
