I am Benjamin Andrew King and I live at [REDACTED]
I am responding to the following question: Do you have any comments on the proposed deletion of Land north of the University of Kent (Policy C12)?
I completely agree with the deletion of the policy C12 from the local plan.
I agree with the technical reasons given for the change –the impact on the road network, the destruction of the ancient woodland, and the cost-effectiveness of demolishing Blean primary school.
The same objections would apply to any possible future proposal for a large development in that location. This would have a huge impact upon our life. I agree we need more housing but in my eyes this is not the place to be doing it and it's just the University trying to dig themselves out of an impossible hole.
I hope my thought can be added to the consultation. I thank you for listening and taking note.
Yours
Ben King
