Dear Sirs/Madam

I would like to register my objection to plans submitted for new houses in Chartham. An extra 350 plus cars, how is the village going to cope. The roads cannot cope at the moment and the traffic jams these extra cars will cause will impact on all of us.

Also the building contractors vehicles and the building works will be very disruptive to us as a village, it will no longer be a village but a large housing estate.

Regards
Barbara Gladman
