Dear Sirs

I am responding to the question:

Do you have any comments on the proposed
deletion of Land north of the University of Kent (Policy C12)?

I am in full agreement with the deletion of the policy C12 from the local plan for the following key reasons given by councillors for the change:

- 1/ the inadequate provision of access
- 2/ the severe and unmanageable impact on the local road network
- 3/ the destruction of ancient woodland and effect on important local ecology
- 4/ the cost-effectiveness of demolishing and relocating Blean primary school.

These same objections must apply to any future proposal for a large development in that location.

I am grateful to the councillors for listening and responding to the overwhelming local objections to the policy C12 by removing it from the local plan.

Yours faithfully

Bill Hamilton
