Dear Sirs,

I am writing in respect of the following question:

Do you have any comments on the proposed deletion of Land north of the University of Kent (Policy C12)?

I agree with deletion of the policy C12 from the local plan and am opposed to the development of the Blean by the University.

I am grateful to the council and its councillors for making this change and listening to the concerns of the overwhelming number of residents.

I agree with the technical reasons given for the deletion namely: the impact on the road network, the destruction of the ancient woodland, and the cost- effectiveness of demolishing Blean primary school. This is an unacceptable price to pay in any event but let alone in circumstances where the University only considers the development necessary because of its own mismanagement.

The same objections would apply to any possible future proposal for a large development in that location.

Kind regards,

Matthew Showler
