I am responding to the question "Do you have any comments on the proposed deletion of the land north of the University of kent? {Policy C12}

I agree with the technical reasons given for the change, the terrible impact on the local roads, the destruction of ancient woodland! and the terrible waste of destroying Blean Primary School. The same objections would apply to any additional large construction plan in that area. Traffic is horrendous now. Unimaginable If this ill conceived plan was to come to fruition! Thank you for giving us the chance to object! And I do so very strongly!
