Dear Sirs

I am responding to the following question:

Do you have any comments on the proposed deletion of Land north of the University of Kent (Policy C12)?

I agree with the technical reasons given for the change - the impact on the road network, the destruction of ancient woodland, and the cost-effectiveness of demolishing Blean primary school. I am also concerned about the supply of services, such as water and sewerage.

The same objections would apply to any future proposal for a large development in that location.

Thank you for listening to our concerns.

Sarah Nightingale
