I am writing in support of the CCC decision to delete this from the plan. I am hugely grateful for this decision. The loss of such historic woodland and green space was very distressing and the lack of infrastructure to support such a huge development is unthinkable. With the current hosepipe ban in place let alone, lack of hospitals, schools etc it was I'll thought through.

Finally the self serving comments of the Vice Chancellor of UKC make for grim reading. I really hope that they are not able to overturn your decision which makes a mockery of the hundreds of objections already raised.
