Dear Sirs

These latest plans must not be allowed to go through. There is no room for the Blean plan to come to Whitstable.

How can a Gypsy and Traveller accommodation site at Golden Hill even be considered. People who have recently bought new houses at the site along the Thanet Way must be fuming at the devaluation of their new homes. Would councillors like living next to a travellers site?

This new local plan must not go ahead. Where are all the schools going to be built?. There will not be enough medical cover for the area. Its almost impossible to get to see a Dr even now, before all this upheaval.

So much more traffic chaos all the time and traffic will get gridlocked. Emergency traffic will not get through. Fumes from standing traffic will get unbearable.

No one will want to move and live in Whitstable. Even now a lot of local shops have gone, so it will become a ghost town.

The bus service is not at all good. To go into Canterbury after lunch takes all afternoon as the bus has to go to the local schools first, then go into the bus station for everyone else. It can take all afternoon by the time the bus gets you home again.

Yours faithfully

Mrs B Giles
