Dear Sir/Madam

Firstly, I am extremely grateful to Councillors for having listened to all our concerns regarding the University of Kent's proposed large 2000 housing development and your conclusion to delete C12 from The Local Plan.

I totally agree with the technical reasons for the deletion of C12; the destruction of ancient woodland and the impact on established wildlife and the Sarre Penn stream. The impact on the road network as per concerns of Kent Highways; and the cost effectiveness of demolishing and relocating Blean Primary School.

Should there be any future housing development proposals in this location, I will strongly object, based on the aforementioned reasons.

Yours faithfully
Kevin Dash
