Dears Sirs

I am responding to the following question:

Do you have any comments on the proposed deletion of Land north of the University of Kent (Policy C12)?

I confirm that I agree with the deletion of Policy C12 from the Local Plan. I agree with the technical reasons given for the change:

- the impact on the road network
- the destruction of ancient woodland
- the cost-effectiveness of demolishing Blean primary school.

I can confirm that in my opinion I believe that the same objections would apply to any possible future proposal for a large development at the proposed location.

I would like to thank the Councillors for having listened to my previous concerns.

Regards

Andrew Barton
