Subject: Objection for park and ride in Thanington recreational grounds

You don't often get email from [REDACTED] [Learn why this is important](#)

--Email From External Account--

Dear Canterbury City Council,

I have grown up in Thanington and my parents still live next to recreational field where my children play at least four times a week.

I strongly object to the proposal of a park and ride/parking area. Why oh why would you be considering tarmacking over a green area when there is so little left. Without this park, Thanington and Wincheap have very little ground for children and families to use unless you walk over the back near the water quarries which are dangerous and hidden out of sight.

This field is used so often by so many people. I myself take walks, play with my boys, I use the kids play park when I take my nephew, work and carry out training in the community centre, sit with friends in the evening to chat and have a bit of peace and quiet.

I urge you not to remove this ground but leave it alone for the benefit of the residents of Thanington.

Yours Sincerely,

Catherine Musselwhite
