We, Mr.A.H. and Mrs.J.E Spensley of [REDACTED] [REDACTED] are both totally in agreement on the proposed deletion of land north of the University of Kent (Policy C12) from the local plan. We also agree with the technical reasons given. The impact on the road network, the destruction of our ancient woodland and the cost incurred by demolishing our Blean Primary School. We also object very strongly that any future proposal would be met with the same objections to stop this large development in that location. We would like to thank the councillors for having listened to our very important concerns and for saving the wonderful countryside and protecting our wildlife enjoyed by all in this area.

From, Mr.A.H. Spensley and Mrs. J.E. Spensley. [REDACTED]
