Dear Sir/Madam,

I agree with and fully support the proposed deletion of policy C12 from the local plan.

I feel this is the correct decision given the technical reasons cited regarding the unsuitability, due to the impact on the road network (which would have added thousands of additional cars due to the car dependence of the site), the destruction of ancient woodland and demolishing and relocating Blean Primary School not being cost effective. Any future developments would cause the same problem.

For these reasons I believe that the proposed removal of C12 from the local plan is the right decision for the area. I would like to thank the City Councillors for listening to resident's concerns and taking into consideration their feedback.

Yours sincerely

Lara Jennings
